

# The Wind

Lyrics and Music by Florian Hammer

E/A                      D/A    A                       $\text{\textcircled{X}}$  E/A    D/A

1. Seems you want \_\_\_\_\_ to taste it  
 2. - Don't know where \_\_\_\_\_ you'll find your  
 3. Keep the long - ing ways to

6                      A                      E/A    D/A                      A

all.                      But your life \_\_\_\_\_ feels way too small.  
 light.                      Don't know where \_\_\_\_\_ you'll sleep to - night.  
 know                      lead to times \_\_\_\_\_ that we must go.

10                      E                      D                      A                      E                      D

As you check your                      bor - ders'                      range,                      there may come a time \_\_\_\_\_  
 As you touch the                      pour - ing                      rain,                      it will lead you home \_\_\_\_\_  
 As you keep your                      way in                      sight,                      it will make you bloom \_\_\_\_\_

15                      E/A                      D/A    A                      to  $\text{\textcircled{X}}$                       1. E/A                      D/A    A

\_\_\_\_\_ of change.  
 \_\_\_\_\_ a - gain.  
 \_\_\_\_\_ so bright.

22                      2. E/A                      D/A                      E/A                      D/A

29                      Dm/A                      A                      E/A                      D.S. al Coda

35                       $\text{\textcircled{X}}$  E/A                      D/A    A                      G/A                      D/A                      Dm/A                      A
